The major activity at Olympic Mountain Pet Pals is to facilitate spay and neuter of cats and dogs in our community. We offer low-income residents of Jefferson county financial assistance to get their pets spayed or neutered and we trap, neuter, and release feral cats. You can help by:

- Posting spay and neuter flyers
- Foster and tame feral kittens
- Trap and transport feral cats

Pet Pals has to raise funds to pay for the services of the veterinarians who participate in our spay/neuter programs and for Ginger's fund that helps low-income residents with emergency medical care for their pets. You can help with fundraisers and community building projects in several ways:

- Help us develop new and exciting outreach and fundraising events
- Bake dog biscuits or sew cat toys for fundraisers
- Create other items to donate for sale at fundraisers
- Take photographs & write articles for our newsletter or website

Pet Pals supports two therapy dog programs. If you'd like a volunteer activity that you can do with your well-behaved dog, consider becoming a therapy dog team for our programs:

- Pets to People; pet visits to local assisted living homes
- READ to Rover; pet visits to local schools and libraries

Please describe any specialized skills/talents that you'd like to employ on behalf of Pet Pals or other ideas for activities that you think could further the goals of Pet Pals:
