

Pet Pals Therapy Dog Programs Serve Our Community

Welcome to Olympic Mountain Pet Pals eNews

In addition to our biannual hardcopy newsletters (that we will continue to mail), we are planning this eNews series to keep in touch with you, our friends and supporters, on a more regular basis. We promise not to flood your inbox. We plan to send eNews less often than once a month. We hope you will enjoy these updates about our activities.

Local Support Has Helped Pet Pals Provide Spay/Neuter Assistance for 7,858 Animals in Jefferson County

A remarkable 7,858 animals in Jefferson County have been spayed or neutered with the assistance of Olympic Mountain Pet Pals since the beginning of our program in 2001. This statistic was announced at the OMPP annual meeting by President Pam Kolacy. "When OMPP was founded in 2001, the goal was to make Jefferson County a community with no homeless dogs and cats and to make our local shelter a no-kill facility," she explained. We have funded spay/neuter services for 2,106 dogs and 3,375 cats in low-income households and Trap-Neuter-Return services for 2,377 community/feral cats.

In 2019, the annual cost of the spay/neuter program was approximately \$39,375. According to Kolacy, the organization's primary source of funding is from individuals. It takes a community committed to the well-being of their pets and it takes a lot of money to support the work we do. In light of the new Coronavirus crisis and the associated economic downturn, we anticipate that the need for our services will increase. Please consider helping us to continue providing financial assistance for local low-income families who need help to spay and neuter their pets.

Therapy Dog Programs and the Coronavirus

With the local schools closed and the need to protect vulnerable residents in assisted living homes, our therapy dog teams are currently not making their usual visits. We miss the kids and seniors who love interacting with our dogs.

If you and your dog are interested in becoming a therapy dog team, please keep your goal in mind and practice essential skills at home until we can safely offer therapy dog tests again. Meanwhile, we congratulate the four new therapy dog teams who have passed our tests in 2020!

Please Support Us

Our programs are supported by donations and fundraising events. Approximately 85% of our funds go directly toward helping animals. Olympic Mountain Pet Pals is a 501(c)(3) (non-profit) organization. Please consider donating today.
