

Gratitude from our READ to ROVER Kids

GivingTuesday is December 3

This is the time of year that we often feel gratitude and generosity. Starting on December 3 with **GivingTuesday** through the end of the year are traditionally the biggest giving days of the year. Pet Pals is asking for your support!

Our end-of-year fundraising goal is to ensure we have the funds to support the needed spay and neuter clinics for lower income residents in Jefferson County. Our data show that we need to raise an additional \$10,000 to meet the expected demand for these services for the rest of the year.

A group of dedicated OMPP supporters has pledged to match donations until our year-end goal is met!

We will be grateful for any amount, no matter how or when you donate. Thank you!

Winter Safety Tips

December is here. Cold and wind are barreling down upon us – and our pets. The frenzy of the holidays adds stress, as well as fun.

Of course, we want our pets to join in the festivities, and we want to be sure they are safe. We've included here some very informative links to help you navigate safety for your pets during this season.
